About Linda F. Radke

Every book, no matter how well written, will languish on the shelf unsold without a comprehensive and creative publishing and marketing plan to support it," says Linda F. Radke, one of the nation's leading consultants in the areas of book production, marketing, publicity, and distribution.

Whether you need guidance on how to begin the writing process or what to do after you've completed your manuscript, Linda will bring more than twenty years of award-winning publishing and book publicity experience to the task. Linda's company, Five Star Publication, offers a variety of ways to publish your book, including *partnership publishing*, a popular option to which Five Star will share the costs and associated risks of bringing your book to the public.

Linda is author of *The Economical Guide to Self-Publishing* (a Writer's Digest Book Club selection) and *Promote Like a Pro: Small Budget, Big Show* (a Doubleday Executive Program Book Club selection). She was recently named *Book Marketer of the Year* by Book Publicists of Southern California.
